## FAST FACTS ABOUT CRIMINON

Find out more about our highly effective rehabilitation program

ere are some of the common questions and facts of why Criminon is successful in helping inmates learn to be productive members of society:

WHO? | Criminon uses the works of American author and humanitarian L. Ron Hubbard to help offenders recover their self-respect and live happier and more productive lives. Mr. Hubbard was a Special Officer for the Los Angeles Police Department in 1948.

WHAT? | Criminon is a part of the Association for Better Living and Education (ABLE), which also has oversight for a drug rehabilitation program, an educational solutions program and The Way to Happiness Foundation which aims to get The Way to Happiness into the hands of every person on Earth.

WHERE? | Criminon has active chapters on all major continents, in such countries as the US, Indonesia, Germany, France, South

Africa, Mexico and Colombia. Criminon Florida is one of numerous chapters in the US and has jurisdiction over Florida, Georgia, Alabama, South Carolina, North Carolina, Virginia, West Virginia, Kentucky, Pennsylvania, Arkansas, Louisiana and Mississippi.

ACHIEVEMENTS. | Criminon Florida services thousands of students through distance learning and on-site programs in over 200 institutions. This year, Criminon Florida aims to increase its distance learning student base by at least five times and get even more on-site seminars and programs started in scores of state and federal facilities throughout the southeast US.

If you'd like to help us in our expansion plans, you can! Refer your fellows to us to get started on course or recommend us to whomever handles programming at your institution. Your help is very much appreciated.

# WHAT CRIMINON STUDENTS ARE SAYING

#### THE WAY TO HAPPINESS

uring the completion of this course, I have rediscovered myself. I regained my confidence and self-respect and also relearned what it means to be a hardworking, respectable individual. I used to get angry or jealous when I saw someone flourishing and prospering only because I wasn't. During this course I realized I had the power and knowledge to better myself only I wasn't. I was too busy wallowing in my sorrows, using drugs and alcohol to temporarily easy my pains when I should have been fighting to get my life back. Thanks to the first course of this program I'm already doing better in my decision making and in my ability to do what's right. Thank you Criminon for helping me get a new start, for putting me on a high speed road to happiness and for showing me where the edges are. | Robert E.

#### LEARNING IMPROVEMENT

This course hit right at home for me. I have always had problems with studying. Now that I have learned the reasons why I have given up in the past I can do better. I have always thought it was me, that I was just "stupid" and couldn't learn. But when you bring these tips into the learning cycle, it opens up a whole new mind set. Just having something to refer to when you are studying makes a 100% difference. Thank you.

#### THE TRUTH ABOUT DRUGS

Thave learned more about drugs than I've ever known because of this course. This course has now helped me to make changes in my life where drugs are concerned. I used to drink and smoke marijuana and have never known the serious damage I was doing to myself until I took this course. Thank you Criminon! I will never do those things anymore.

#### THE TRUTH ABOUT DRUGS

I've done almost every drug you can think of and never thought of what it was doing to me but getting high. The information I learned in this course makes me want to stay away from drugs now because of the damage long-term use can cause and the short-term also. I'm glad I no longer use any drugs. Drug abuse and addiction or use is not a solution to any problem you may be having. There are other ways to get help and solve problems. | John H.

#### PERSONAL INTEGRITY

Lused to be quick to point out other people's shortcomings but ignore mine. Through this course I've opened my mind to see that I need to take responsibility for my own actions and not keep blaming others. Also I need to stop justifying my actions because that just leads me into a whole new ball game of avoiding the real issue of taking responsibility for what I did."

| Melissa M.

## WHAT CRIMINON STUDENTS ARE SAYING

#### HANDLING SUPPRESSION

That I've learned brought me to the realization that my criminal thinking very well was contributed to and a result of suppressive person(s) in my vicinity and life 40 years ago, holding me back in life, stopping me from reaching my goals and potential. Due to the information obtained from this course. I was able to trace the root cause of my criminal behavior through careful review and reflection of my past family, friends and community surroundings, revealing several persons involved having antisocial personalities and their influence on many lives. This course has given me insight and understanding to recognize people who wish me or others ill will or harm, and those who are or should be our friends. | Jeffrey B.

#### SUCCESSFUL PARENTING SKILLS

have come to learn that there is way more to raising a child than I could ever have imagined. Like how it is vital to a child's growth to let them help you by their own choice rather than tell them to do something. Or just how important it is for them to decide to share toys or clean their room. That a positive parent can still be raising their child in a negative manner without even being aware that they are.
